ABOUT EFRY HEALTH CENTRE:

Opening this fall in a new, well-appointed, purpose-built facility in North Surrey, EFry Health Centre is an innovative, multidisciplinary+ clinic created to provide holistic care to vulnerable women and children, who often live in deep poverty and may have complex care needs. To assist patients in building healthy futures and stable lives, the Centre brings together a primary care team with mental health, allied health, dentistry and nutrition in a gender-focused, trauma-informed, culturally safe environment. It also provides patients with direct pathways to the spectrum of social service supports offered by the EFry and its community partners. As part of the fully integrated care team, you will be supported in operating at the top of your license, providing whole-person care that will help change lives for the better.

We are recruiting for a Family Physician (1.0 FTE) to join a shared care practice in a team-based healthcare environment with fully integrated health services driven by quality improvement. The Physician will support patients in the maintenance of their health by diagnosing medical conditions, administering treatments, and providing follow-up care to patients. It is the goal of the organization to ensure all patients feel safe, valued, respected, and cared for as they access health care services. Family Physicians will be tasked to demonstrate improved access to primary care and quality of primary care for our population of vulnerable women and children.

SCOPE OF PRACTICE:

The Physician will provide full scope of services that would be commensurate with the breadth and depth of professional services provided by a full-time full-service, Family Practitioner, for the care of its patients and the health of the community within which it practices. The Physician will also support and provide clinically related teaching and clinical-related research.

QUALIFICATIONS:

- Licensed or eligible for licensure and in good standing with the College of Physicians and Surgeons of BC (CPSBC)
- Canadian Medical Protective Association (CMPA)
- Experience working with marginalized, vulnerable, Children and Women, an asset.

EFry Health Centre is an equity-seeking organization. Applications are encouraged from qualified women, Indigenous, Black, People of Colour, LGBTQ2S+ individuals, people with disabilities and other marginalized groups.

Interested candidates must submit a cover letter and resume to hr@EFryHealth.ca with the **subject line 23-001**. The position will remain open until filled.
